

Free Dental Care for Children

The York County School of Technology is proudly providing a
Community Health Outreach Event:

Smile Connections

~Connecting children's smiles to dental care~

****Recipients of government insurance also
qualify for this free treatment!!***

Dentists, Dental Hygienists, and Extended Function Dental Assistants
will be working together to provide ***free dental exams, preventative care,
and referrals for treatment*** for children ages 6 to 17.

***Children that are in need of dental care will be
referred to a dentist for treatment free of charge!!***

Where: York County School of Technology
2179 South Queen Street, York, PA 17402

When: Saturday – March 17, 2018 from 9:00am to 1:00pm
Either call for an appointment (Julie - 717-934-8176)
Or arrive as a walk-in and be seen on a first come first serve basis.

All children must be accompanied by a parent or guardian
